- Gymnasts should warm up both their routines within the time allotted.
- A separate one touch warm up will be taken before the first compulsory routine.
- There will be no further warmup before the second routine.
- Where required, there will be one further warm-up for final routines, and a two touch will be allotted if there is more than one flight in the preliminary rounds.
- For DMT levels 1 – 4 there will be a general warm up of an allotted time. The competitors will then receive a one-touch warm up before completing the first 2 passes, there will be a further two-touch before completing the second two passes.
- Tumblers will receive a specific warmup time before competing all required passes

Competition Equipment:

- Each Panel will be equipped with Euro tramp Ultimate 4x4 or 4x4 Premium Trampolines. Double Mini Trampoline will be the Euro tramp Ultimate 6x6. The Tumble Track is a Skakun track.

Rules:

- All rules for NWGATTC competitions will be taken from the current British Gymnastics Code of Points for Trampoline, DMT and Tumbling. Any local rule changes will be stipulated with the entry information for that competition.

Coach / performer qualification:

- On arrival at the competition, the lead coach should check in their club at the check in desk where they can inform the competition organisers of any withdrawals.
- Coaches signing in competitors must be qualified in the relevant discipline TRI, DMT, DIS & TUM. A gymnast who is a qualified coach may not sign themselves in.
- All gymnasts must be under the supervision of a suitably qualified coach who is a full member of British Gymnastics. Persons not designated as officials and non-BG members are not allowed on the field of play. The field of play is the area beyond the floor barriers.
- Gymnasts are only allowed to perform those moves that lie within the syllabus of the coaching level of the coach who has signed to take responsibility for that club. The coach

must be on the field of play whilst the gymnasts are competing. The field of play is taken to mean the competition area. **NOT** the audience section in the same hall.

- Failure to have a suitably qualified coach present on the field of play, would mean that none of a club's gymnasts will be allowed to warm up or compete. Unless a suitably adequately qualified coach has been found and agrees to supervise, gymnasts may not participate.
- Failure to have an adequately qualified coach present may mean gymnasts will have to withdraw.

Difficulty cards:

- Difficulty cards **are required** for all levels except Club level Competitors for DMT.
- Difficulty cards **are required** for level 4 of TUM.

It is a requirement for a suitably qualified coach to sign difficulty cards. Gymnasts cannot sign their own difficulty card even if they are a qualified coach.
- Required skills (where applicable) must be asterisked on the difficulty card or there will be a deduction of 0.2 from each missing asterisk in the relevant routine.
- All elements that require a difficulty mark should have this written on the sheet before the card can be accepted.

Tie-break rule:

- All NWGATTC competitions will follow the tie-break rules in BG appropriate handbooks, (links are above).

Team managers:

- The team manager is responsible for the behaviour of his/her club members, coaches, and parents. Any aggressive or abusive behaviour will not be tolerated from any member of a club, and may result in:
 1. The individual being dismissed from the event.
 2. Withdrawal of all the associated club's gymnasts for that competition, without financial reimbursement
 3. A ban on the individual from future NWGATTC events and / or a temporary suspension of club activities within the region
 4. A formal complaint submitted to NWGA and / or British Gymnastics, followed by a formal investigation.
- Northwest Photographers may be present at NWGATTC events and may publish images taken at the event. By entering the event there is acceptance that the child/participant may be photographed. The Club/Coach is advised that they should inform the entrant, parent, or guardian.
- It is the responsibility of all individuals who attend NWGATTC competitions to ensure their belongings are always kept safe at the competition venue. The NWGATTC will not accept

any responsibility for loss or damage to property or persons. Team Managers are to ensure that all attendees are aware of this and to instruct their members accordingly.

- When submitting entries for a British Gymnastics event the onus is on the club, coaches, and team manager to ensure that the coaches attending to the gymnasts are qualified to the Assessment of the gymnasts' performance.

Complaint's procedure:

- If you have a complaint about any aspect of a competition it must be raised, in writing, through your club secretary as the Competitions Sub-Committee will not respond to complaints from gymnasts, coaches or parents. Regional Competition Rules

Competition attire for gymnasts:

- In all competitions the wearing of jewellery or watches is not permitted during the competition. Rings without gemstones may be worn if they are taped. Body piercings that cannot be removed must be taped. Bandages or support pieces must not be in colours and must be of a skin colour or white if they are around the ankles to match the foot covering.
- All attire rules can be found at the following link:
<https://www.british-gymnastics.org/docman/footer-menu-items/governance-documents/11936-clothing-attire-at-events-policy-v1-0/file>

Jewellery and body piercing:

- Please see the policy at: <https://www.british-gymnastics.org/documents/clubs-schools-and-leisure-centres/8851-h-s-guidance-safe-coaching-1/file>
- This applies to all gymnasts and coaches in training and in events at home and abroad. Failure to comply with the policy will prohibit the individual gymnasts on the grounds of reasonable safety and may render the individual's insurance invalid should an accident result directly from non-compliance with this policy.

Competition attire for judges and officials:

All judges, recorders and computer operators must wear BG uniform as below:

Men: Navy or dark coloured suit jacket / blazer / jumper, navy or dark coloured trousers (not track suit/jogging bottoms), white shirt (not T-shirt), black shoes suitable for a gymnasium floor. Judges are encouraged to wear a BG, NWGA, or dark, single colour tie to present the professional image that NWGA show at competitions.

Ladies: Navy or dark coloured blazer and/or jumper, navy or dark coloured skirt or trousers (not track suit/jogging bottoms), white blouse, black shoes suitable for a gymnasium floor.

If it is cold in the centre and you need to wear a coat or warm jacket, please try to ensure it is a dark colour.

Marshals: warm-up marshals and spotters should wear track suit or similar and trainers.

Failure to arrive in the correct attire may result in being stopped from judging and club will receive a fine of £50 payable before the next entry will be allowed.

Judges and Officials

Judging provision:

- Please note that the requirements for supplying officials for NWGATTC competitions differ from national requirements.
- The NWGATTC requires any club entering these competitions to provide officials for the full duration of the event. The minimum requirements are stated on each entry form. Clubs may offer extra officials if desired.
- The requirement for officials for DMT and synchronised trampolining differs from individual. Please see the relevant entry forms for details. Judges offered for DMT should be qualified in that discipline.
- All nominated officials must be members of British Gymnastics. Membership numbers must be quoted.
- Nominated officials should not be registered as gymnasts, as it is difficult to schedule the timetable to accommodate these people. Any gymnasts who would like to officiate whilst they are not competing should be nominated as extra officials and they will be used if possible. Alternatively, they may replace one of their club's chosen judges for half a day (with the approval of the Judging Secretary).
- New clubs without suitably qualified officials will be allowed to enter 2 events without supplying qualified officials at the discretion of the committee. It is the club's responsibility to source suitable judge courses, you can find out more about these by emailing the judge co-ordinator at: northwestjudging@outlook.com The NWGATTC cannot guarantee to have a suitable course at any given time, so candidates may need to look outside the region for courses. New clubs must, however, supply the correct number of unqualified people to match their entry as above.
- In the case of an official not showing on the day without justification or a replacement of equal and approved calibre being offered, the club will be required to pay a fine of £150 or

find a replacement for each missing official. No further entries would be accepted from that club until the surcharge has been paid. The committee reserves the right to withdraw any club from the competition that does not supply their nominated official(s) on the day.

- Unqualified officials can be expected to be used as competition marshals, manual recorders or lunch assistants but please note that all officials may be used in any capacity and must appear correctly dressed. If an unqualified official is selected, it is the team manager's responsibility to ensure that the person is competent of performing the required duty. On the spot training at competitions is not an option. Failure to provide competent officials / judges will be viewed as failure to meet the competition requirements for officials / judges.
- Gymnasts listed after an empty 'official's name' box on the entry form will not be accepted. It is not acceptable for clubs to write 'A N Other' or another similar wording for an official. Please supply a name for each official that your club is required to nominate so that they can be used in an appropriate capacity.
- Clubs are notified of selected officials with their competition information. It is the responsibility of the club manager to relay this information to their selected officials.
- Reserve officials are expected to be at the competition, in the appropriate uniform, and report for duty at the required time. If the reserves are not required at the start of the event, they must be available to be called upon at any time during the competition day.
- To assist those who wish to gain experience at judging, clubs may request for any qualified judge to sit alongside a panel as a shadow judge (subject to availability of space). The shadow judge would be required to judge all routines and complete the judge attendance record sheet. The NWGATTC would recognise this as a valid competition for those wishing to progress to the next judging qualification. A shadow judge's marks would be used in the case of a judge being absent from the panel.

Selection of Officials:

To help the committee in selecting these volunteer members of the coaching team and judging team we would like you to refer to the attached document on **page 16**. This application form has been created for you to apply for a role on the: Trampoline and Tumbling Inter Regional Challenge Cup. Please note that applying does not guarantee you a place on the team. Applications will be examined by a selection committee of the Northwest Trampoline Technical committee. Applicants should show their experience, ability to organize and be able to commit to the training days as well as the competition weekend. Most importantly they should have the ability to work within a team environment, creating a happy productive environment for the gymnasts to thrive. Return application to: Salford TC @ The HUB, 50 Rigby Street, Higher Broughton, Salford, M7 4BQ or to nwtcsecretary@outlook.com by the 9th of April 2023.

Contesting a selection decision:

Once a decision has been made by the selection panel it will be given to the committee for final approval. We will publish the final selection on the website after the selected team has been informed of their acceptance onto the team: www.nwga.org.uk. This will be published by no later than the 30th of June 2023. Contesting the selection will not be accepted, but if you would like to contact the committee you may do so at the following email address: nwtcsecretary@outlook.com

Photography:

- It is no longer necessary for people to register their intention to take photos and/or videos. However, please see the BG policy at:
<https://www.british-gymnastics.org/documents/departments/membership/safeguarding-compliance/safeguarding-and-protecting-children/7769-safeguarding-children-safe-environment-06-2016/file>
